

## Summer school for students of Economics in Zagreb

There is a chance to visit Croatia during summer, learn and have fun at the same time.

Zagreb School of Economics and management every year invites students from different countries to their Summer School.

You can choose courses from the list below, spend three weeks in zagreb, travel around Zagreb, have fun with the international group of students from all over the world and visit Croatian Coast-one of the most beautiful seashores in the whole world.
